

AGENDA

I.1

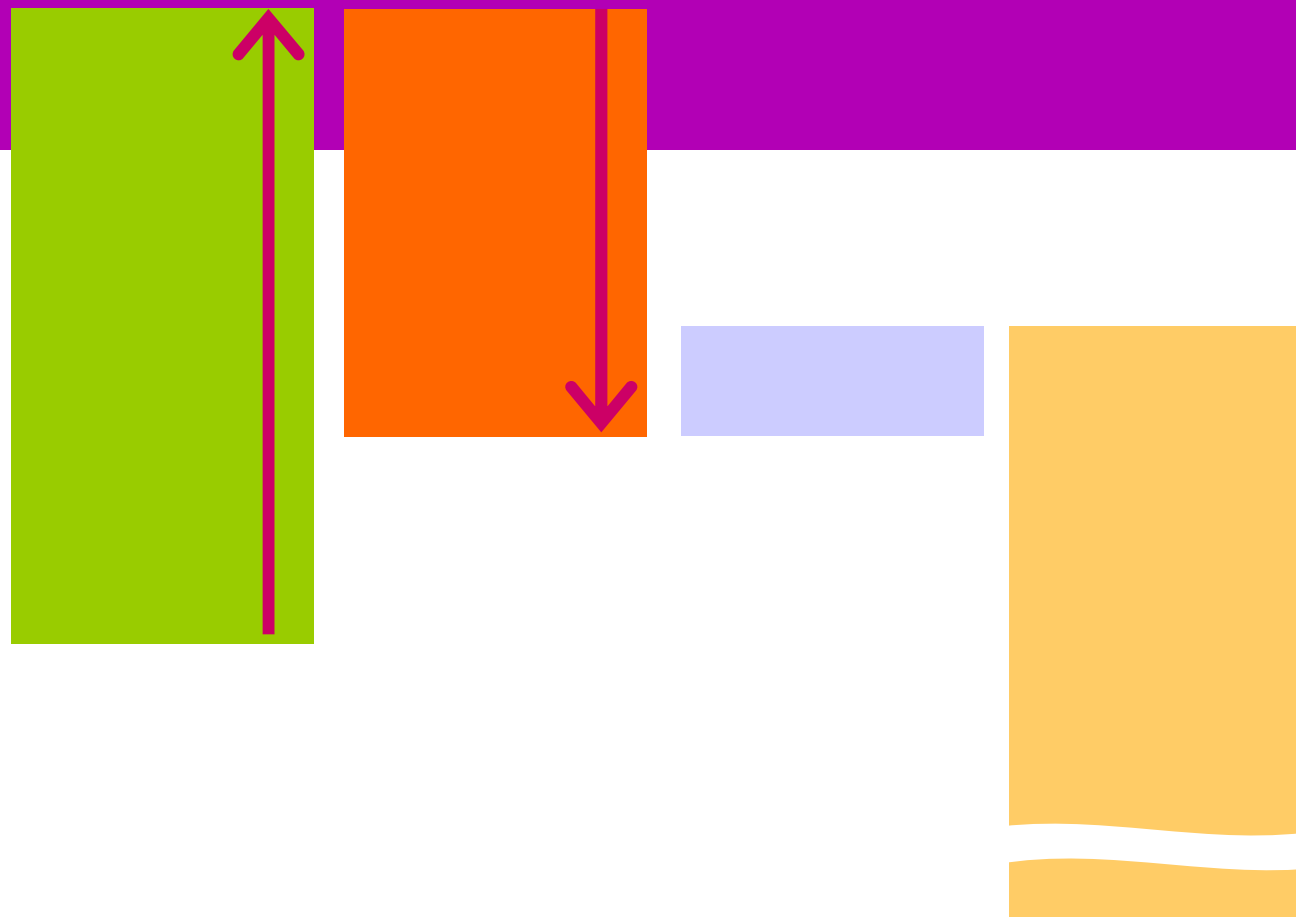

Positive/Negative factors of the ordinary income

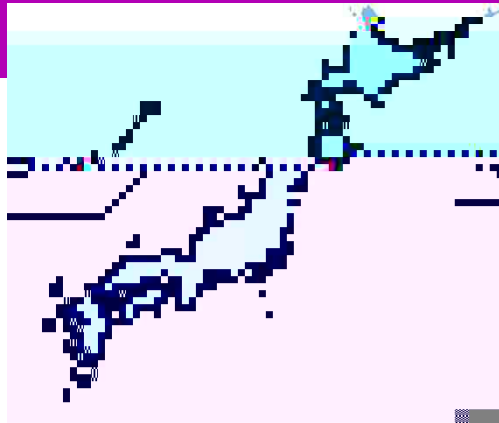

(JPY millions)

The image shows a screenshot of a web browser displaying a table. The browser's address bar at the top shows a URL starting with "http://www.". The table has a blue header row and a purple body. The table is divided into 7 columns and 2 rows. A red vertical line is drawn through the table, passing through the middle of the second and third columns of the purple body. The table structure is as follows:

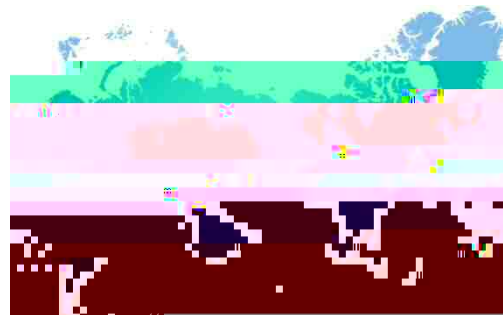

Blue Header Row						
Column 1	Column 2	Column 3	Column 4	Column 5	Column 6	Column 7
